1. ISSUE: *Invalid Bundle Error Message*

- o RESOLUTION: All denominations must be in valid bundle sizes approved by your Money Supplier or Armored Car.

The screenshot shows the C3 Finance software interface. On the left is a sidebar with a 'Branch Summary' for 3/24/17 - 4/24/17, including 'Cash Ending' (VGC \$671,499, MIN \$437,998, MAX \$927,219) and 'Usage' (TOTAL \$1,280,900, MAX \$203,132, VGC \$40,028). The main area is titled 'Central Vault #1' and contains several sections: 'Misc Requisition Information' (Type: Order, Carrier: Strap Size_Order-1), 'Requisitions Service Interval Date Range' (From: 5/4/2017, To: 5/11/2017), and 'Requisition Status Information' (Submit selected). Below these is a 'Denomination Detail' table:

Denomination	Recommendation	Request	Fullfill
Hundreds	18000	18000	0
Fifties	40000	40000	0
Twenties	0	50050	0
Tens	0	0	0
Fives	0	0	0
Twos	Guidance Suppressed	0	0
Ones	0	0	0
\$1 coins	Guidance Suppressed	0	0
Eisenhowers	Guidance Suppressed	0	0
Half Dollars	Guidance Suppressed	0	0
Quarters	0	0	0
Dimes	0	0	0
Nickels	0	0	0
Pennies	0	0	0
Totals:	\$58,000	\$108,050	\$0

At the bottom of the main area are 'Save (Submit)' and 'Cancel' buttons. A yellow dialog box titled 'Round Up/Down?' is overlaid on the right, containing a warning icon and the following text: 'Invalid bundle amount for Twenties. Nearest applicable values are: 52000 and 50000. Would you like to round the value up to \$52000 or round the value down to \$50000? You may also choose to edit the denomination value.' The dialog has three buttons: 'Round Up', 'Round Down', and 'Edit'.
